which will be held from 28 to 29 September, 2020

**On-line Conference!**

**Main Organizer**

University of Agriculture in Krakow  
Faculty of Environmental Engineering and Land Surveying  
**Department of Ecology, Climatology and Air Protection**

**Co-organizer**

Institute of Soil Science and Plant Cultivation  
State Research Institute

The organizers schedule there to be oral, and poster presentations, which will be given on the *Microsoft Teams* communication platform. Detailed information on logging onto the platform, the activation links, and instructions will be sent to conference participants in a separate e-mail.

The official languages of the conference will be English and Polish.

**Oral presentations**

The presentations will last for ten minutes each. We recommend having questions and answers sessions after each one. There are two possibilities of displaying the presentation: (1) screen sharing in MS Teams, (2) the presentation being displayed by the organizer. If you choose option (2), the presentation, in PDF, should be sent by 26th September, 2020 to [meteo2020@urk.edu.pl](mailto:meteo2020@urk.edu.pl)

**Posters**

We kindly inform that posters should be prepared in .pdf or .jpg . They will be included in a folders on the *MS Teams* platform, and will be available to all conference participants. We are planning the poster presentation sessions to be quick (3 minutes per poster at most). Therefore, the authors are asked to prepare **short presentations** (3 slides at most). Posters and poster presentations should be sent to the conference e-mail address by Saturday 26/09/2020 at the latest.

**Conference Programme**

The conference program will be posted on the conference website.

We kindly ask the participants to follow the conference website, where the current information will be posted.
