**XXXIX INTERNATIONAL CONFERENCE OF
AGROMETEOROLOGISTS AND CLIMATOLOGISTS**

entitled:

„CLIMATE, ENVIRONMENT, ECONOMY, SOCIETY”

which will be held from 28 to 29 September, 2020

On-line Conference!

Main Organizer

University of Agriculture in Krakow
Faculty of Environmental Engineering and Land Surveying
Department of Ecology, Climatology and Air Protection

Co-organizer

Institute of Soil Science and Plant Cultivation
State Research Institute

»»»«««

Main topics:

- » research areas covering meteorology, and applied climatology,
- » ecology, environment protection, and air protection,
- » the ecological, and economic results of the present-day climate change, and adaptation strategies,
- » biometeorology,
- » the climate-related aspects of tourism,
- » the usage of the GIS systems,
- » the alternative, meteorological energy sources,
- » as well as other issues which are among the current interests, and achievements of the conference participants.

Conference participants:

We will be pleased to welcome researchers, students and PhD students as well as representatives of companies, producers and distributors of specialized equipment and software in the field of meteorology and air protection.

Form of Conference:

Due to the ongoing pandemic, we offer on-line form of conference. We would like to enable safely and actively participation in the conference the widest group of people. **Participation in the conference is free and offered to all interested persons after prior registration.**

The participants interested are requested to complete the **registration form** before **31 July, 2020** and **abstract** before **15 August, 2020**. The application form, detailed information about abstracts and other important information will be available on the conference website: meteo2020.urk.edu.pl

In case of a large number of registrations, the organizers reserve the right to choose the method of presentation (oral or poster). The information will be included in the next announcements. The participants will also have the opportunity to publish articles in reviewed journals (the name of the journals will be proposed in the next announcements), in case of receiving positive reviews and pay for the publication themselves.

Detailed information regarding conference programme and organization will be available in the forthcoming announcements.

Please, forward this message to those who may be interested in the participation in our on-line meeting. We are looking forward to seeing you at the conference.

Contact: meteo2020@urk.edu.pl

*With kind regards, on behalf of the Organizing Committee
dr hab. inż. Agnieszka Ziernicka-Wojtaszek, prof. UR*
